Indicates a Low Intervention Wine

To us, that simply means minimal intervention in the vineyard and during the winemaking;
Low Sulfur Additions • Native Yeasts • Moderate alcohol content consistent with the Varietal and the Regional Climate • Organic or Biodynamic Practices
We rely on knowing the winemakers and their practices

Changes are Afoot!

What? L32 v3.7! As we have three times in the past, we are updating Lucky's offerings and ambiance. It's v3.7 because we opened in 1989, 37 years ago! You'll notice updates over the next several months and some that are in process or completed, such as the St. Laurant marble floors, the backlit textile frieze, the paintings by 37-year QW Artist in Residence, Chip Holton, the new garden space at the entry and several new menu selections. Stay tuned for more to come! Cheers! Dennis & Nancy King Quaintance!

Live Music with The Olsons Every Wednesday: 6 to 9 PM

The incomparable duet, Jessica Mashburn *(keyboard /vocals)* and Evan Olson *(guitar / vocals)* of The Olsons *(formerly AM rOdeO)* bring their extraordinary talent and energy playing much loved favorites and original work. No cover charge!

Artist-In-Residence

QW Artist-in-Residence Chip Holton's paintings adorn the walls at lucky's. Chip's art wells up from his incredible imagination and talent…the results of which are being displayed throughout the restaurant. Scan the QR code to see Chips art or visit *lucky32.com*
